

Grand County Pet Pals was established in 1993 as a 501(c)(3) non-profit organization dedicated to assisting the Grand County Animal Shelter with its spay/neuter program.

Today, Grand County Pet Pals has several programs to fulfill our mission of responsible pet ownership within Grand County. We raise funds to provide 100% spay/neuter and certain veterinary care if necessary for all animals at the Grand County Animal Shelter. We also provide spay and neuter vouchers to pet owners with financial need.

We gain support for these programs through memberships, general and memorial donations and from many of the Grand County businesses. In addition, we conduct several fundraising events throughout the year including the Doggie Drag, Pet Pictures with Santa, microchip events and more.

We actively seek and welcome volunteers, fundraising ideas and unique ways to educate and support our community in regard to responsible pet ownership and doing our part to become a nation with no more homeless pets.

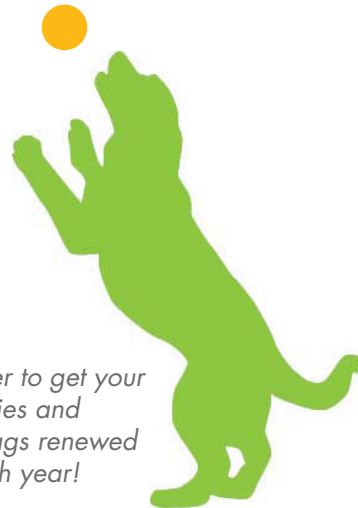

Please consider becoming a member of Grand County Pet Pals today!

We need YOUR support whether it's donating your money, your time or both!

Please consider supporting Grand County Pet Pals in whatever way you can.

You can visit our web site at www.gcpetpals.org for more information on how you can make a difference.

And become a Fan on Facebook for the latest happenings relating to pets in Grand County!

Remember to get your rabies and county tags renewed each year!

Programs Supported by Grand County Pet Pals

- 100% spay and neuter of all pets adopted from Grand County Animal Shelter
- Providing the Grand County Animal Shelter with funds for leashes, collars, kitty litter, food, treats, starter kits for new pet owners and more
- Vouchers available for purchase from Grand County Animal Shelter for spay and neuter of pets whose owners may need financial assistance
- Veterinary care if needed for animals in the care of the shelter
- Education on proper animal care including managing the pet population, nutrition and wellness and more

Pet over-population can be avoided through spay and neuter programs. Please help us with our mission of 100% spay/neuter of cats and dogs in Grand County

Become a Member

Membership is available to anyone interested in the welfare of Grand County Colorado pets. As a member you will be assisting in our mission of managing the pet population and providing care for the animals in our county's shelter.

How to Join

The success of Grand County Pet Pals is dependent upon the generous contributions from people like you. Membership information is at right and all levels receive our quarterly newsletter and a Grand County Pet Pals sticker.
